KAISER'S METEOR BREAKS RECORD.

Yankee Built Yacht Defeats Sybarita in Match Race Off Cowes-Irex Wins Emperor's Cup.

me wer won the Emperor's Cup time allowance. She finished

Kniser's American built schooner Meteor III. defeated Sybarita in their match race, covering the forty-eight mile course in new record tf e of 3 hours 51 minutes and 45 conds.

COWES Isle of Wight, Aug. 6.—The weather was gloomy to-day for the Roval Yacht Squadron's racing. Emperer William's Meteor III. and Myles

The Sybarita led at first, but the Meteor won the race.

The chief race of the day was for the Emperor's Cup. in which the Meteor was not entered. The contestants were Leander, Cetonia, Glory, Cicely, Brynhild, Navahoe, Lygia, Columbine, Flonia, Leander II., Flonia II., Clara, Palmosa, Irex, Namara, Creole and Bona.

The Emperor's Cup is a massive piece of polished silver, with three handles, inscribed "Royal Yacht Squadron Regatta, 1992." Emperor William personally supervised the execution of the design. The yachts got away at 10.15 in a driving rain, with the Bona leading and Navahoe in fourth position.

In the match race the Meteor went to the front early and reached through Co. a il 11.30 in grand style, apparently having a winning lead at that time. The Sybarita then was four minutes behind the Meteor.

The Sybarita cut down the Meteor's lead on the eastern course to 20 seconds, but the wind increasing the Emperor's yacht again drew away and won handly, finishing at 15.143. The Sybarita,

STOPPED MANY.

O'Connor cut three slices in the air.
Jones took Chesbro's high lift. Clark
drove past first. Beaumont was out on
Smith's assist. No runs.
Brodle got a safe wallop after MeGann was retired by Ritchey. Jones
put up a fungo for Beaumont. O'Connor was under Lauder's high foul. No
runs.

Third Inning

off Brenton's Reef Lightship to-day every indication pointed to a rough time for the competitors. A thick mist, almost rain, made it impossible from shore to make out more than a dim outline of the yachts, while a constantly freshening southeast breeze was tossing up a heavy sea.

As far as could be seen from shore four sloops started, including three of the 70-footers and one somewhat smaller. One of the larger craft appeared to be under way the moment the landicap gun was fired.

There were only three schooners. One of them lagged bekind so that she barely cleared the handicap gun.

Under Reduced Sail.

The racing craft were under low sails and working topsails, none having attempted to use the raining spread bear.

Fifth laning.

Third Inning

Leach risked a bench for back talk when called out on strikes. Wagner singled into left. Jones nabbed Brans-ficially and presantan was ingled and Bresanhan was chiled out on strikes. Browne the was nelped out by Leach. No runs.

TAYLOR'S CHANCE AT FRANK KRAMER.

Colored Cyclone Will Have Plenty of Room to Unwinder His Sprint on Big Track at Manahttan Beach.

Frank Kramer, by his third defeat of Major Taylor, the colored cycling wonder, at Ottawa Monday night, fairly es-tablished his claim to the title of chamon sprinter of America. Taylor was unfortunate in his races,

not being able to get clear salling until too late to make the best of his final sprint. On Saturday, at Manhattan Beach, this pair will again come to-gether in the one-third circuit championship along with fifteen other speedy

pros. As the track at Manhattan Beach is one-third mile around, with a long stretch, Taylor will have no cause for complaint if he is again beaten.

Taylor has a great burst of speed for a hundred yards, and if he is on equal terms with the champion at the head of the stretch, one of the most sensational finishes of the season may be expected.

Kramer and Taylor may not have the race to themselves, as Owen Kimble, George Collett, Orlando Stevens, Iver Lawson and John Fisher are a few others who can hit it up at a terrificello in the straight, and unless Taylor and Kramer gain the most advantageous positions heading for the stretch they will not get a sight of the tape.

Besides the championship event, the Manhattan handicap at ten miles for amateurs, a five-celle handicap and a two-third mile dash for professionals, a quarter-mile sprint for novices, a two-mile handicap motor cycle race, the first of its kind to be held in this country, and a fifty-mile economy motor bicycle race makes up a programme which should furnish some rare sport.
